ABOUT THE AUTHOR

Originally recruited by Audrey Gorlick as her chauffeur to the Nokomis Club meetings, Alexa Munoz was attracted by the club heritage and became a Nokomis Club member in 2003. She is an active participant in club activities, and is currently the club President.

Alexa is also a member of the Redmond Historical Society, and is experienced in nonprofit organizations where she has served in several board capacities. She has been active in government and held appointive offices at the city and county levels, and earned a Bachelor of Arts degree in Political Science from Seattle University.

Her interest in flowers and plants led her to study Floral Design and Environmental Horticulture at Lake Washington Technical College where she was awarded an Associate of Applied Science degree. She has worked in Horticulture for several years, and has also been a business owner.

In her leisure time Alexa reads, sews, does cross-stitch or other needlework, walks for exercise, and watches football. A musician, she has performed for more than 40 years with orchestras and small ensembles as a cellist.

Alexa is from Bakersfield, California, and resided in the San Francisco Bay Area before relocating to the Redmond area in 1979. She is the mother of two sons and a daughter.

*I expect to pass through life but once,
If therefore, there be any kindness
I can show, or any good thing I can
Do to any fellow being; let me do it now,
And not deter or neglect it, as I shall
Not pass this way again.*

~ William Penn
